Camping Information

On behalf of all the staff at Kalahari Bush Breaks, we would like to welcome you. We are here to provide you with the best service possible to make your stay a memorable experience.

Should this be your first visit, we sincerely hope that the uniqueness of Kalahari Bush Breaks inspires you to return again. **Enjoy your stay with us!**

Water:

The white sand Kalahari is a very arid part of Namibia with little water resources. Please note that our water is being pumped up from 150m below the surface of the earth. Please use it sparingly as it is regarded as "FOSSILE" water.

The following information for your attention please:

Please check in at the gate and give your voucher (if applicable) to the gate attendant.

Note:

- Luxury campsites are located 200m down the road on your left- and right hand side marked 1-10. Campsites are equipped with electricity, braai grid, table and luxury ablution facilities.
- Eco campsites are located 500m down the road to the right. Campsites are equipped with braai grid and open air ablution facilities with a "donkey" for hot water. The camp attendant will make fire in the "donkey".
- Meat, beverages and wood can be purchase from the camp attendant.
